SKILLS

- Adobe photoshop, illustrator, and InDesign – intermediate
- Photography- intermediate
- Creative thinking
- Creative Writing
- Effective communication
- Team player
- Leadership

I consider myself to be ready to explore by expanding my horizons and considering all possible perspectives on a subject. An observation that leads to thoughts and the creation of new things is my Strength. My personality sounds like, "you have a solution to any problem you encounter." I am capable of leadership, understanding, and easy adaptation. I Channel my thoughts in the best way to achieve the finest result.

○ CAREER OBJECTIVE

As communication and problem-solving are important and it all starts with sharing your thoughts with others, putting these thoughts down visually and bringing them to life effectively is where I see myself.

○ ACHIEVEMENTS

- SHADOWSHIP during INTERNATIONAL FACULTY WEEK which helped me gain a different perspective on the subject.
- Was part of the LOGISTICS department of events such as INFERNO and SENSORIUM which helped me show the backbone of any process

○ OTHER AREA OF EXPERTIZE

Getting trained under the Indian traditional dance genre kathak from the past 11 years, which has helped me successfully express my views via storytelling.
